**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I currently have Sonic.net's Fusion service which includes DSL and phone service using the AT&T copper phone line connected to my house in Santa Clara, CA. I do not want this reasonably priced serviced discontinued or greatly increased in price because of the newly petitioned rule changes submitted to the FCC on behalf of the US Telecom trade association and AT&T.

Please do not make changes that would take away access to the unbundled network elements available under the current rules.
